

## **Winery:**

Our winery is located on the north end of town in the Warehouse District in Woodinville, WA just 15 miles northeast of downtown Seattle. The cellar space is expansive, and we use state-of-the-art crushing equipment; stainless steel, climate controlled tanks; and, two spacious, temperature controlled rooms for storing barrels and case goods. *Seattle Magazine* selected EFESTĒ as the “Best New Winery” in their 2009 Washington Wine Awards.

We recently opened our tasting room, a contemporary-design, multifunctional space that includes a full-service, gourmet kitchen. Tasting room hours are typically Friday through Sunday. The winery also hosts special events such as wine release parties, culinary classes, catered dinners, vintage tours and barrel tastings. Please check out our scheduled events at [www.efeste.com](http://www.efeste.com).

Our tasting room can be rented for private events. From intimate dinners to large parties of up to 200 people, the tasting room is a perfect place to entertain friends or host corporate gatherings. Prices to rent the facility vary based on event size, rentals, food, and music selections. To learn more or to schedule an event, contact [events@efeste.com](mailto:events@efeste.com).
