

## '08 FINAL-FINAL CABERNET SAUVIGNON SYRAH BLEND

COLUMBIA VALLEY

Our goal in blending two noble varietals together is to acquire the best attributes of each varietal and marry them in a complementary and seamless way. Cabernet Sauvignon and Syrah intermingle with a unique complexity. This blend offers a true taste of Washington State's best varietals.

### THE WINE

## '08 FINAL-FINAL CABERNET SAUVIGNON SYRAH BLEND

COLUMBIA VALLEY

### NOTES

“Unbelievable! This is the best Final-Final to date. It's so balanced and focused. The aromas are inviting and pure. The texture is wonderful and has so much grace the blend is seamless. There is a pure expression of minerals and wet dirt, with overtones of fresh blackberry and black cherry plus touch of an herbal mint-like character that defies description.”

—Brennon Leighton, Winemaker
