

EFESTĒ | Tough Guy Red Blend

Red Mountain AVA

In 2006, winery owners Kevin and Angela Taylor learned that their young son Joe, grandson to 'Big Papa' Daniel Ferrelli and Helen Ferrelli, was diagnosed with A.L.L. Leukemia. Joe's strength of spirit and brush-off attitude during the exhaustive treatments distinguished him as a "Tough Guy." We are ever so grateful for the treatment and cure he received, inspiring us to donate a portion of the wine's proceeds to the Leukemia and Lymphoma Society.

Tasting Notes

Sourced from Klipsun Vineyard, one of Red Mountains most distinct sites, the Cabernet Sauvignon Merlot blend is as "Tough" as Joe's personality! Displaying black fruit and tobacco, backed by classic tannin structure, this wine showcases Washington State's amazing terroir. This wine can be enjoyed with friends for years to come!
