## THE WINE

Sourced from the Clos CheValle Vineyard, tucked away overlooking beautiful Lake Chelan, these Chardonnay grapes are perfect for crafting a traditional method of sparkling wine. Known to friends and family as "Angie," our first sparkling wine takes its name from our fun-loving boss-lady, Angela Taylor.

## TASTING NOTES

The first-ever edition of the Angie Blanc De Blanc opens with hits of subtle hints of strong minerality, showcasing the terroir of the Lake Chelan AVA. You'll also catch some hints of Orange rind on the nose as well. The tiny bubbles will be apparent as this wine hits your mouth, lots of classic Chardonnay characteristics are apparent in the flavors here too. Lots of richness and more lemon peel. This wine finishes with caramel toffee flavors, the winemaking techniques unique to EFESTĒ definitely add to the excellent length of this wonderful wine. Enjoy!
