THE WINE

Our “Ceidleigh” Syrah (pronounced kay-Lee) is made entirely from Red Mountain grapes. Old and new world in a glass is what makes the Ceidleigh a distinctive wine deserving of its name, which means ‘celebration’ in Gaelic.

TASTING NOTES

Bright in color and big in dark, juicy fruit aromas are what you will notice first in this new release. Much like the 2018 vintage, the palate is filled with black plum, cigar box, and black pepper. The silky smooth tannins lend to a well balanced and full structured finish!
