## THE WINE

Sourced from the Clos CheValle Vineyard, tucked away overlooking beautiful Lake Chelan, these Chardonnay grapes are perfect for crafting a traditional method of sparkling wine. Known to friends and family as "Angie," our first sparkling wine takes its name from our fun-loving boss-lady, Angela Taylor.

## TASTING NOTES

This is our second edition of the Angie Blanc De Blancs, once again sourced from the Lake Chelan AVA. This year we added a touch of dosage before we corked it to add to the nice balance of this bubbly wine. Our native fermentation used to make the still portion adds to the plethora of flavors in this one. Toasted brioche, lemon zest, candied nuts are all on the nose and in the mouthfeel. The fruit notes are pear and cider, the finish will last all day if you let it. Enjoy!
