- Klipsun

## Analysis

- Alc. 15.00%
- pH 3.92
- TA 5.20g/L
- RS dry
- VA 0.73g/L

## Tasting Notes

*Color:* Dark, youthful ruby red.

*Nose:* Aromas of dried currants, wild blackberry and candied raspberry; Aussie black licorice, coffee bean, rose petal and wet earth. A native/'sauvage' quality, or nuance highlights the house style.

*Palate:* Full bodied, seductive and complete palate that shows off suave, yet structural tannins that wrap the fruit tightly at first but loosen their grip with time in the glass. Flavors of ripe red fruits and baking spices persist throughout. The finish is long and pleasantly toasty.

—Peter Devison, Winemaker
