SAUVIGNON BLANC | ANCIENT LAKES 2023

WINEMAKING NOTES

One of the things that makes this wine unique and special to us for making this amazing wine is not only our native fermentation style, we like to ferment it in three different types of vessels. We use concrete, stainless steel, and oak to enhance its structure and mouthfeel,

TASTING NOTES

Another classic Washington State Sauvignon Blanc! The wine opens up with hints of citrus and grapefruit on the nose. The mouthfeel has excellent length, the flavor is quite zesty, almost briny, which is why this wine pairs perfectly with your favorite foods from the sea. Per usual, we used a combination of barrels and stainless steel in the fermentation process to add to the balanced acidity and structure of this wine. Excellent length and minerality on the finish, enjoy!
