CABERNET SAUVIGNON | RED MOUNTAIN AVA 2020

WINEMAKING NOTES

This wine is made with 100% free run juice from Angela's Vineyard on Red Mountain. Our Estate Cabernet Sauvignon is transferred from the stainless-steel fermentation vessel to age for an extended period in Tonnellerie Plantagenet barrels – made from new French oak chosen from four forests, with twenty-five percent from each forest, allowing for a consistent, equal blend in each barrel.

TASTING NOTES

This wine opens bright and quite fruity, with juicy plums and candied apples. The mouthfeel is big, with hints of leather and game. There is incredible spice and balanced acidity, lending itself to a long and persistent finish. As a free run wine, our Estate Cabernet Sauvignon has a delicate and nuanced flavor profile, with softer tannins and better clarity of fruit flavors.

ABOUT THE WINE

Making its first appearance since 2016, the 2020 Estate Cab is back and bigger than ever! On one of my journeys to the Bordeaux region, in France, I had an encounter with a gentleman who had a different idea for toasting barrels, I decided to give it a try.
