

Jolie Bouche

ESTATE SYRAH | YAKIMA VALLEY AVA 2020

WINEMAKING NOTES

Jolie Bouche is fermented in both concrete and stainless steel, combining the distinct textures and flavors of each method to create a more nuanced and well-rounded wine that fully captures Syrah's diverse characteristics. Foot-crushed and fermented with 100% whole clusters, this approach enhances the expression of the vineyard's remarkable terroir.

TASTING NOTES

This Syrah immediately reveals its complexity on the nose with the inclusion of the crushed stems, and the distinctive influence of concrete fermentation. Expect rich flavors of dried cranberries, white pepper, and a touch of bleu cheese, creating a bold and intriguing profile. Its robust character and layered flavors make it an excellent addition to your cellar, promising even greater depth and warmth as it ages. Ideal for sipping on a cold night, this wine offers a cozy and satisfying experience.

OLDFIELD ESTATE VINEYARD

Oldfield Vineyard stands out as one of our most unique Estates. Located at an elevation of 1,400 feet within the Yakima Valley AVA, its soils rest above the Missoula Flood Plain, meaning they are entirely indigenous and ancient. This rocky terrain, combined with a consistently warm climate, yields a wine that is both beautifully nuanced and robust.
