Red Willow Vineyard

THE WINE

Co-ferment: 59% Merlot, 41% Cab Franc

Every family has their own term of endearment - Nana, Nonna, Nonni, but no matter the pronunciation, this wine is a tribute to Grandmothers everywhere. In the EFESTĒ family, Nana was named in honor of Daniel Ferrelli's mother, Jenny Ferrelli. Styled after the traditional right bank Bordeaux region, it uniquely blends Merlot and Cabernet Franc.

TASTING NOTES

This wine has a nose of sweet hickory smoke, black cherry, and raspberry... Our use of the co-fermentation winemaking technique instead of blending lets you enjoy a mouthfeel is nice and round and extremely well balanced. I get flavors of lots of ripe red fruit. Enjoy this wine for years to come.
