

## Babbit Rosé

ROSÉ | YAKIMA VALLEY AVA 2024

### WINEMAKING NOTES

The 2024 vintage is heavier on Grenache than in previous years, which turned out beautifully. Fermented in stainless steel to maintain freshness and crispness, it spent 4 months aging in neutral red wine barrels for added depth. The wine was then racked, fined, and filtered to ensure clarity and overall balance.

### TASTING NOTES

This wine is all floral on the nose, with the unmistakable influence of rocky terroir coming through from the vineyard. This wine tastes of strawberries and cream through the end to a really long, nice finish. This is the perfect summertime wine to cut the heat with its crisp cleanness and subtle sweetness.

### OLDFIELD ESTATE VINEYARD

Located at 1,400 feet above the Missoula Flood Plain, Oldfield Estate Vineyard is planted with Syrah, Grenache, Mourvèdre, and Merlot in ancient, indigenous soils. The rocky terrain and warm, even climate produce wines with a balance of soft fruit and mineral complexity. These conditions create wines that are both elegant and powerful, essential to our Jolie Bouche Syrah and Oldfield Estate Rosé. The sunny slopes and cool evenings of the Yakima Valley provide the perfect growing conditions for producing intensely flavored, balanced, and complex wines.
